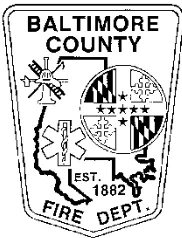
MFRI/BALTIMORE COUNTY FIRE SERVICE TRAINING FITNESS QUESTIONNAIRE



CONFIDENTIAL

This questionnaire is used in determining whether or not you have a medical condition that may affect your ability to safely use a respirator. IT IS NOT USED (BY ITSELF) TO DETERMINE YOUR FITNESS TOP ENGAGE IN STRENUOUS EMERGENCY ACTIVITIES. We anticipate being able to approve most people for respirator use based upon this questionnaire alone. In some cases we may ask for more information or additional medical testing/examination. For the purposes of this document, the word “respirator” includes: self-contained breathing apparatus, NIOSH filter masks and HEPA filter and air purifying masks.

INSTRUCTIONS – READ CAREFULLY

1. **You MUST answer EVERY question**. Failure to do so will cause unnecessary delay in completing review of your questionnaire.
2. There are questions on BOTH sides of all pages in this questionnaire.
3. You MUST print your Fire Service I.D. number in the space below and in the space provided on page four.
4. You MUST print the number of your station in the space below and in the space provided on page four.
5. You MUST sign your name in the space provided on page four.
6. You MUST print the date you completed this document in the space provided on page four.
7. Review the completed document to be sure that you have left nothing out.
8. Place the completed document in the envelope that has been provided.
9. Be sure that you have placed your name, fire service I.D. number and Station number in the spaces on the upper left hand corner of the envelope. If submitting by U.S. Postal Service, include your home address there.
10. Seal the envelope, and then write your name over the flap of the envelope.
11. When your have done all of the above, return the envelope to your designated station representative or place a stamp on it and place it in the U. S. Postal Service Mail. If no envelope, please return form to: **BCVFA office, 700 East Joppa Road, 3rd Floor, Towson, MD 21286-5501 – Attn: Medical Board.**

PLACE AN X IN THE CORRECT BOX →	YES	NO
17. As a MFRI student, you may be required to wear fire protective clothing and self-contained breathing apparatus weighing at least 50 pounds in hazardous atmospheres, perform firefighting and rescue operations that expose you to extreme heat, toxic products of combustion and hazardous materials. You may also be required to lift and operate heavy machinery, carry and raise ladders, and climb ladders up to 135 feet in height. Students may achieve heart rates of 85 to 100% of their maximum capacity during training operations. Do you believe that you **currently** have any medical conditions that would prohibit you from performing these duties?		

I hereby affirm that the answers to the above questions are true and complete, to the best of my knowledge. I authorize and direct Mercy Medical Centers, the Respiratory Protection Review Board, the Baltimore County Retirement Medical Review Board and/or the Baltimore County Volunteer Firemen's Association's Medical Review Board to provide its medical opinion(s) regarding the evaluation of my fitness for respirator use to the designated representative of the Baltimore County Fire Department authorized to receive such an evaluation, Mercy Medical Centers, the Respiratory Protection Review Board, the Baltimore County Retirement Medical Review Board and/or The Baltimore County Volunteer Firemen's Association Medical Review Board, and the President (or designee of the member's Volunteer Company(ies) and the Maryland Fire Rescue Institute. I hereby acknowledge that in the event of a conflict in opinion concerning respirator use, the opinion of the Maryland Fire Rescue Institute shall prevail. This authorization shall be effective from the date of the execution below.
